Contracts and vendor contributions

Board actions 2018–October 2026, newest first

Prepared for Rae Arora
Generated 2026-10-29

897 board actions	221 with a matched contribution	46 vendor families with contributions
----------------------	------------------------------------	--

Method

Vendor names from Town of Babylon clerk minutes and adopted-resolution packets. 2025–2026 from the live Agenda Center; 2020–2024 from ArchivedAgenda packets; 2018–2019 from Document Center. One row per board action that names a vendor.

Political contributions are company-name matches only against the Open NY / NYSBOE contributions file (4j2b-6a2j) for Supervisor, Town Board, Town Clerk, Receiver of Taxes, and Suffolk / Town of Babylon party committees; individual checks that do not carry the vendor's legal name are not matched. No FEC. No officer or personal-name matches.

Near-duplicate minutes spellings (H2M variants, D&B vs D AND B, Cashin Associates, P.W. Grosser, Landtek) were collapsed into vendor families. A name overlap is not a finding of quid pro quo. Suffolk GOP/Dem dollars are countywide filers. Different legal entities (Cashin Technical Services, Cashin Spinelli & Ferretti, D&B Guarino, Dejana Holdings, LiRo Architects, Nelson & Pope PAC) were not folded in.
