Method

Vendor names from Town of Huntington QScend Document Center adopted agenda/resolution packets (category 20654) and Granicus AgendaViewer titles (2018 through October 2026). CivicClerk Events API and CivicPlus AgendaCenter 404. Most 2019-2026 Document Center PDFs are Toshiba e-STUDIO scans (pdftotext empty); those meetings use Granicus HTML. 137 Town Board meetings are inventoried; vendor rows run 2018-01-23 through 2026-10-06. Resolution numbers are Town Board YYYY-N calendar numbers, not YYYY-NNNN. One row per board action that names a vendor. Amounts almost never appear in calendar titles.

Political contributions are company-name matches only against the Open NY / NYSBOE contributions file (4j2b-6a2j) for Supervisor, Town Board, Town Clerk, Receiver of Taxes, Highway Superintendent, and Suffolk / Town of Huntington party committees. Highway is elected. Individual checks that do not carry the vendor's legal name are not matched. No FEC. No officer or personal-name matches. No Nassau party filers.

Near-duplicate calendar spellings (H2M, D&B / D and B, N&P / Nelson Pope, LaMay / La May, CarlsonCorp, Looks Great Service/Services, Alessio Pipe, Winters Bros, PKF O'Connor Davies) were collapsed into vendor families. A name overlap is not a finding of quid pro quo. Suffolk GOP/Dem dollars are countywide filers. Different legal entities (D&B Guarino, Posillico Materials / Environmental, Nelson & Pope PAC, Rosemar Realty) were not folded in. Hinck, OpenGov, Safety Marking, VHB, Munistat, and Philip Ross have no company contributor in this pull.

How to read a card

YYYY-MM-DD · No. 12 ·	VENDOR NAME	DONOR	1 identity + donor tag
action · department · contract \$ or amount not in packet			2 what the board did
Minutes/agenda blurb, wrapped, cut at ~400 characters.			3 minutes text
Land-use petitioner (site-plan / special-use / DEIS) — not a town contractor.			4 petitioner flag if any
\$X in N contributions (first-last) · supervisor \$ · board \$ · clerk \$ · receiver \$ · highway \$ · Suffolk GOP/Dem \$ · Huntington GOP/Dem \$ 5 other company-name contributions <i>Itemized contributions appear once — on the vendor's newest card. Later cards point back.</i>			

Newest actions first. Year bars mark each calendar year. The thin black rule and DONOR tag mark a vendor family with at least one matched company-name contribution. Contract dollars appear only when the packet printed a bid or not-to-exceed figure.
