Method

Vendor names from Town of Islip Joomla Docman Town Board and Town Attorney resolution packets (2018 through October 2026). CivicClerk hosts return empty/404. CivicPlus Agenda Center is 404. No born-digital Town Board minutes are posted. 112 Town Board events are inventoried; 2018-2019 (and some later) packets are image scans and were not OCR'd, so vendor rows start 2020-01-14. Resolution numbers are Town Attorney agenda item numbers (No. N), not YYYY-NNNN. One row per board action that names a vendor. About 97 rows have a parsed dollar amount; the rest show amount not in the packet text.

Political contributions are company-name matches only against the Open NY / NYSBOE contributions file (4j2b-6a2j) for Supervisor, Town Board, Town Clerk, Receiver of Taxes, and Suffolk / Town of Islip party committees. There is no highway committee (highway is appointed). Individual checks that do not carry the vendor's legal name are not matched. No FEC. No officer or personal-name matches. No Nassau party filers.

Near-duplicate packet spellings (L.K. / LK / Louis K McLean, Johnson Kukata Lucchesi / JKL, P.W. Grosser, PKF / PFK O'Connor Davies, Trux / Tru.X) were collapsed into vendor families. Combined multi-vendor title rows were left unmatched rather than treated as one invented company. A name overlap is not a finding of quid pro quo. Suffolk GOP/Dem dollars are countywide filers. Different legal entities (Cashin Technical Services, LiRo Architects / Constructors / Program Management, Nelson & Pope PAC, Rosemar Realty, Gabrielli Management) were not folded in.

How to read a card

YYYY-MM-DD · No. 12 ·	VENDOR NAME	DONOR	1 identity + donor tag
action · department · contract \$ or amount not in packet			2 what the board did
Minutes/agenda blurb, wrapped, cut at ~400 characters.			3 minutes text
Land-use petitioner (site-plan / special-use / DEIS) — not a town contractor.			4 petitioner flag if any
\$X in N contributions (first-last) · supervisor \$ · board \$ · clerk \$ · receiver \$ · Suffolk GOP/Dem \$ · Islip GOP/Dem \$ · other			5 company-name contributions

Itemized contributions appear once — on the vendor's newest card. Later cards point back.

Newest actions first. Year bars mark each calendar year. The thin black rule and DONOR tag mark a vendor family with at least one matched company-name contribution. Contract dollars appear only when the packet printed a bid or not-to-exceed figure.

Top 20 donor vendors by matched contribution total

Family totals to Supervisor, Town Board, Clerk, Receiver, and Suffolk / Town of Islip party committees, contribution window 2017-01-01 through 2026-10-29. n contr. is packet actions in the family.
