920 board actions	51 with a matched contribution	30 vendor families with contributions
----------------------	-----------------------------------	--

Method

Vendor names from born-digital Town Board ACTION CALENDARS (oysterbaytown.com). Adopted-resolution packets are mostly scans so contract \$ is usually blank. Minutes are verbatim transcripts, not the vendor index. One row per calendar item that names a vendor.

Campaign contributions are company-name matches only against the Open NY / NYSBOE contributions file (4j2b-6a2j) for Supervisor, Town Board, Town Clerk, Receiver of Taxes, and Nassau / Town of Oyster Bay party committees; individual checks that do not carry the vendor's legal name are not matched. No FEC.

Near-duplicate calendar spellings (Inc vs Inc., Dept vs Department, fire-company numbering) were collapsed into vendor families. A name overlap is not a finding of quid pro quo. Nassau GOP/Dem dollars are countywide filers. Land-use petitioners (site-plan / special-use / DEIS) are flagged on the card so they are not read as town contractors.

Itemized contributions appear once — on the vendor's newest card. Later cards point back.

Newest actions first. Year bars mark each calendar year. The thin black rule and DONOR tag mark a vendor family with at least one matched company-name contribution. Votes are not printed — calendars are the agenda, not the roll call.
