Method

Board actions were taken from Town of Hempstead clerk minutes posted to the Agenda Center, January 2018 through October 2026, one row per calendar item that names a vendor or contract.

Campaign contributions are company-name matches only against the Open NY / NYSBOE contributions file (4j2b-6a2j) for Supervisor, Town Board, and Nassau / Hempstead party committees; individual checks that do not carry the vendor's legal name are not matched.

Near-duplicate minutes spellings were collapsed into vendor families; a name overlap is not a finding of quid pro quo, and contract dollars are shown only when the minutes state a bid amount.

5 company-name contributions

Itemized contributions appear once — on the vendor's newest card. Later cards point back.

Newest contracts first. Year bars mark each calendar year. The thin black rule and DONOR tag mark a vendor family with at least one matched company-name contribution. Votes are the meeting roll call — the calendar is usually one unanimous action, not AYES/NAYS on that resolution.
